**CALOMEL WHEN BILIOUS? NO! STOP!**  
**MAKES YOU SICK AND SALIVATES**

"Dodson's Liver Tonic" Is Harmless To  
Clean Your Sluggish Liver  
and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.  
Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel when it comes into contact with your life crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tonic tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.  
I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

## EDUCATION THAT TEACHES MAN TO KILL, WRONG

MUNICH CITIZEN TELLS OF  
BAD SYSTEM TAUGHT  
IN FATHERLAND

Oakland, Cal., Aug. 30.—That Germany was the victim of a wrong system of education was the declaration made by John Mez, of Munich, Germany, at the closing session here last night of the National Education Association. "Internationalism" was the subject of his address.

He said in part:  
"Those in my country who made war meant for the world's gain. They did not mean it to destroy. They are the victims of a wrong system of education."

"Every one who lives in the United States and loves civilization and humanity should be grateful to the man who has kept America out of this war."

"Education and internationalism," he continued, "means education of the old men first to change the idea that collective homicide is the proper thing."

"The first duty of a man is to defend his country but not attack any other country."

"The most gratifying sight in the world is the spectacle in the college presidents of the country talking peace; for education is the one great agency which will wipe out the stupidity of militarism."

## GOADED BY CROWD

### BIRDMAN FALLS

Ebensburg, Pa., Aug. 30.—Bob Klingner, 19 years old, aviator from Humboldt, Tenn., was to fly before the crowd at the Ebensburg fair this afternoon, but was afraid of the wind blowing across the starting field. The crowd of 100,000 gazed and said he was afraid to fly.

Klingner finally climbed on his biplane and got a good start, but his machine dropped in an air pocket as he was leaving the fair grounds and he fell on a fence, toppling back onto a trolley. The machine was wrecked, but Klingner, after his 100-foot fall, was unhurt.

A groan went up through the crowd that a moment before had felt nothing but apathy or the boy, and a general rush started for the spot where he fell. Klingner picked himself up, limped a few feet, brushed himself off and glared at those pressing about him.  
"A coward, eh?" he challenged.  
"Hump," and as he walked away the crowd cheered him.

Despondency Due to Indigestion.  
"About three months ago when I suffered from indigestion which caused headache and dizzy spells and made me feel tired and despondent I began taking Chamberlain's Tablets," writes Mrs. Geo. Hon. Macedonia, N. Y. "This medicine proved to be the very thing I needed (as one day's treatment relieved me greatly. I used two bottles of Chamberlain's Tablets and they rid me of this trouble." Obtainable everywhere.

## LOCAL MOMENT

Farmers of Oklahoma are showing a strong disposition to hold their corn crop and feed it to stock, then drive it to market. In other words, they will put legs on the corn.

A number of Italians in Oklahoma, mostly in the coal mining districts, are hurrying to their designated military rendezvous. They are ordered to be at their stations before Sept. 1st, as the "call to the colors" designate that as the rallying date.

## ORGANIZED CHURCHES ARE AFTER SUNDAY

SPEAKERS AT ANNUAL  
MEETING OF MINISTERS  
SCORE EVANGELIST

San Francisco, Aug. 30.—The evangelistic methods of Rev. Billy Sunday came in for unfavorable comment in two conferences of organized churches here. Speakers at the annual meeting of the Northern California Congregational conference and the general conference of the Unitarian and other Christian churches took occasion to refer to the baseball evangelist's work disparagingly.

A resolution disapproving of the methods of "many evangelists" while commending "the efforts of the evangelists to get people to make decisions for better living" was adopted by the Congregationalists after language which was held to limit the general application of the resolution had been deleted.

The original measure was drafted by the resolutions committee, consisting of Rev. B. C. Preston, of Petaluma, chairman; George W. Dickey, of San Mateo, and Rev. L. B. Briggs, of Santa Cruz. The resolution then read:

"We are satisfied with some of the methods used by most of the generally accepted traveling evangelists." Rev. Preston, a firm supporter of Billy Sunday, objected to the wording of the resolution but was outvoted. He went to the floor of the convention prepared to make a vigorous fight against the inclusion of any language that might be considered aimed at Sunday.

The war little contest, however, over the changing of the wording to read "many evangelists."

TAKE OUT THE ASHES.  
Uremia is due to the circulation in the system of poison and waste products that should be removed from the blood by the kidneys. If the ashes are not removed the fire dies and the machinery stops. So with the waste products of the system. Foley Kidney Pills help the kidneys remove waste matter that causes rheumatism, aches and pains, stiff joints and sore muscles. Sold everywhere.

## QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast  
if your Back hurts or Bladder  
is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

## "CHIEF" BENDER, OKLA- HOMA INDIAN IS SLIPPING

## NEW YORKER IS HANGED JUICY FEDERAL PLUM

Washington, Aug. 30.—The selection of Frank L. Polk, corporation counsel of New York City, to be

Once the most feared and most marvelous pitcher in baseball—now only an uncertainty on the mound, night by night by Secretary Lansing. The "Chief" Bender—and there is a real pathos in his decline.

Bender battled for nearly 12 years under the Mackmen standard and was the nation of William Jennings Bryan last year during all those years he was driven from the mound. Often, June, the counselor's office has been vacant since Mr. Lansing took his place in the cabinet and there has been much gossip as to who would fill it.

But now all is changed, Bender, working for the Baltimore Feds, takes the "long walk" often. The old speed has gone from the once mighty right arm; the curves no longer deceive. Bender has been butted from the box almost as many times this year as he was in all his years in the American league.

And no man feels the tragedy of the fall of the once mighty Indian more keenly than does the chief himself.

Sunday comes too often, otherwise this is a pretty fair world.

Mr. Polk will succeed Mr. Lansing and who became secretary on the resignation of William Jennings Bryan last year during all those years he was driven from the mound. Often, June, the counselor's office has been vacant since Mr. Lansing took his place in the cabinet and there has been much gossip as to who would fill it.

During the present administration the counselor has acted for the secretary in all matters in the latter's absence from Washington and frequently has been called into conference at cabinet meetings. While it has not been definitely decided, it is virtually certain that the rule will continue in effect after Mr. Polk takes office.

Are you a good guesser?  
The General says:—No man living can take three different kinds of Roofing and determine in advance by such tests as bending, twisting, tearing, or snuffing, how long each will last on the roof. The best you can do is to make a guess. That is why.

## Certain-teed Roofing

Is guaranteed by us 5, 10 or 15 years according to whether the thickness is 1, 2 or 3 ply. Most roofings look alike, and even trained chemists can judge roofing quality only by the raw materials that are put into the roofing and not from the finished product. The responsibility of the biggest Roofing and Building Paper Mills in the world stands behind our guarantee and this makes it unnecessary for you to take the risk of guessing. Certain-teed Roofing has made good on the roof throughout the entire world. Ask your local dealer for further information. He will quote you reasonable prices.
